

YOUR OFFICE SWEEPSTAKE KIT FOR THE 48-TEAM WORLD CUP

Score yourself a winner

★ THE World Cup 2026 kicks off on Thursday – with Scotland and England already stateside preparing for the tournament in Canada, the US and Mexico.

Here's your chance to get in on the action with our handy World Cup sweepstake kit. It's simple to play...

★ All you need to do is cut out the names of the teams, right, and put them in a hat, cup or anything else where people can't cheat as they take their pick.

Decide how you're going to split the money. With an incredible 48 nations taking part, if you charge £5 a team, it gives you a prize pot of £240.

★ That could be £150 for the winner, £60 for second place and £30 for third. Or you could go for a winner-takes-all jackpot.

Current champs Argentina beat France at the 2022 World Cup in Qatar to claim their third title. This time Spain are the 9/2 favourites, according to Betfred, followed by France at 5/1 and England at 7/1.

★ The games will be shown on the BBC and ITV, with the final taking place on July 19. All that's left now is to get ready to scream at the telly...
